## USEFUL INFORMATION

**Internet:** WIFI is available at the ICISE. The password is **ICISE20130812** for guests. Wifi is available almost anywhere in Vietnam: for example, you can get wifi access in any local cafe if you ask waiters for the password.

**Beach time:** Shower rooms and changing rooms are available on the beach. Your laptops – NOT YOUR OWN BELONGINGS – can be stored in the conference room. Bring along your towel, bathing suit, and sun screen if you want to swim.

(At the hotel beach, local people usually swim during sunrise (05:30 - 06:30 am): you should try that too!)

### **Prepaid Mobile phone and 4G internet SIM card:**

Prepaid SIM card for phone and internet data is relatively cheap in Vietnam. Viettel, Vinaphone, and Mobifone are three phone and internet providers who provide a Tourist SIM card which costs around 200.000 VND or 10 USD. These tourist SIM cards offer you around 50 minutes of international call, 100 minutes of domestic call, free text messages, 4G internet connection (depending on the provider). These SIM cards can be bought at the airport, in electronic or phone shops.

**Telephone:** If you share a room, please keep track of your calls because there is only one telephone per room and the billing is done for each room. Telephone bills should be settled before you leave.

**Banking facilities:** Exchange currency service is available at the hotel reception, local bank branches or any jewelry shops. ATM machines can be found on the opposite side of the hotel.

**Departure to the airport:** We will arrange the transportation to the airport according to your itinerary given to us. Please contact the conference secretaries for any assistance with airport transfers. We will stick the departure list on the board in the ICISE hall. Please complete and let us know if there is anything wrong.

**REMEMBER TO GET BACK YOUR PASSPORT AT THE HOTEL RECEPTION DESK BEFORE YOU LEAVE!**

### **Special announcements**

Information about the conference will be posted on the paperboard in the hotel lobby. Please check it from time to time.

A paperboard in ICISE entrance hall, near the Secretaries' office, and in the hotel reception hall will be used for special announcements. Please check it regularly.

Suggestion: The accompanying person can take a taxi to go to the ICISE center to enjoy the beach or to have a rest in the park.
